RUHAN DU TOIT

RUHAN DU TOIT is an award-winning South African singer-songwriter from Pretoria.

This popular musician, known for his charming, energetic stage presence and impressive four-octave voice, has left a significant mark on the local and international music industry over the past three decades. He is as much a part of Afrikaans culture as biltong and koeksisters.

He grew up in Port-Elizabeth, released his first solo album at the age of eleven, and is particularly renowned for his exceptional rendition of the hit *Sound of Silence*, which has garnered over **11 million views on YouTube**.

Over the years, he has **achieved** numerous career highlights, including **4 singles, 27 albums** - 6 of which achieved gold status, 4 platinum and 1 Diamond, an Aitsa Award in 2019, multiple radio hits, and performances on various major and popular music stages such as Innibos, Afrikaans is Groot, and Lexus Pop Classics.

With an **extensive repertoire** spanning seven languages, he has also made an international name for himself, having had the opportunity to share the stage with country singer Kip Moore.

As a **versatile musician** who can not only sing but can play multiple instruments, he is equally at ease during a sold-out stadium performance as he is around an intimate bushveld fire with selected guests.

He continues to work full-time with Coleske Group, a division of Warner Music Africa, on his music career and plans to release several new **Afrikaans and English** singles in the coming months, adding to his impressive arsenal of original music available on all streaming networks.

Ruhan, with his **witty sense of humour and honest sincerity**, is a beloved artist among both young and old. He is very grateful for the opportunity to **live his passion** every day and share his unique talent with the world.
